Concept Green Agro
Organic Fertilizer

EFFICIENT • NATURAL • LEAF FERTILIZER

PRODUCT

Importer / Distributor

Concept Green Limited
P.O. Box OS1146 • Osu • Accra • Ghana

BENEFITS

- Up to 30% higher yield
- Up to 20% earlier maturity
- Up to 30% more fruit
- Up to 30% more biomass
- Enhanced flavour & vitamins
- Up to 50% less pesticide use
- Improved water resistance & pest resistance

COMPOSITION

$CaCO_3$: 86–96%
$MgCO_3$: 1.25–4.50%
SiO_2: 0.10–1.70%
Fe_2O_3: 0.10–0.70%

Micro Nutrients:

- Mn: 20–70 mg/kg
- Zn: 10–60 mg/kg
- Cu: 6–30 mg/kg
- Mo: <0.1 mg/kg

TYPE:

- CALCIT — Mineral, micronized, energized

APPLICATION & USAGE

- Mix 40g in 16L water
- Spray as fine mist on plant leaves/foliage
- Apply 3 times at 3-week intervals
- Recommended time: Early morning or late afternoon

CONCENTRATION:

0.3–0.5% • Approx. 3g per litre of water

SAFETY & HANDLING:

- 100% Organic • Non-toxic • No waiting period / No harvest interval
- Do not mix with other fertilizers or chemicals
- Wear protective mask when spraying
- Store in cool, dry place away from sunlight

RECOMMENDED CROPS:
